Dear Shelley (Entire Macomb Charitable Family)

I once again cannot find words worthy to thank you for saving us yet again. Since the end of last summer it seems to be one thing after another. You are like an Angel sent from God because things seemed helpless. Soon the weather will remain above freezing and everything will be fine. This year we plan to budget much more efficiently to prepare for winter. If there is anything EVER I can do to help you even if it's greeting or physical labor. Our gratitude to you is endless and what you do is amazing. The times you have helped our family has been life changing soul touching important to us EVERYTIME. And your love brings me to tears. God bless you and everyone who works with Macomb Charitable and I hope someday to be a blessing to someone the way you have me.

Sincerely
[Signature]

These letters, written from the heart, are for ALL of our supporters/donors!

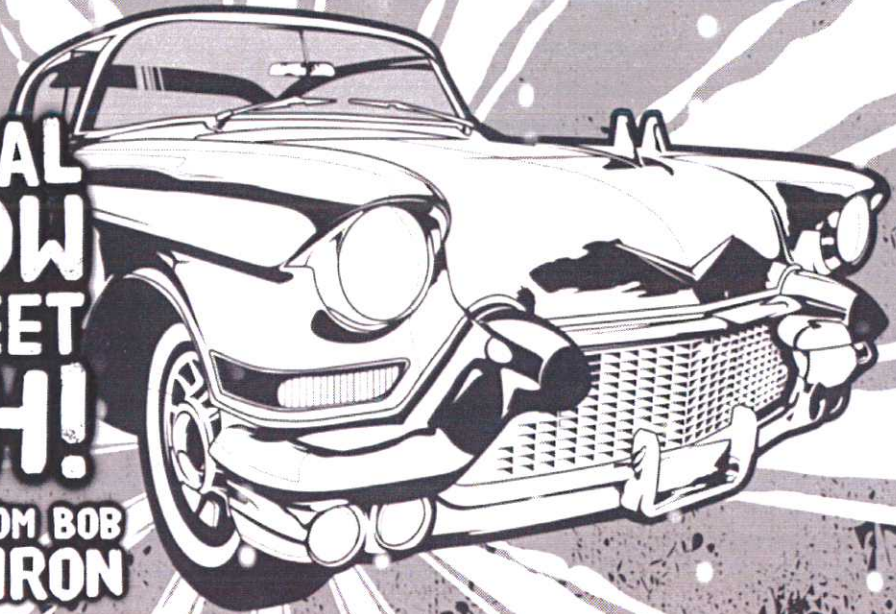

To the ones that blessed us,
First I wish I had a better way to address you. I wish I knew the names of the ones that had done so much for my family, but most of all my children. We have had a rough few years and everytime we think things are getting better something happens to put us right back where we started. Christmas would not have happened without your enormous help. I can only hope I can one year give them a Christmas as great as the one you gave us. As much as I failed them greatly you stepped in and made it a happy day instead of one I was dreading to arrive. This year by far was the worst down to camping this summer because we had no where to go and hotels were too much money. You gave us something good to remember about this year. Tho we have no idea who you are, we will forever remember this Christmas and the ones that gave it to us! It has taken a great deal off my shoulders I can only wish I was able to return this favor to you and your family. Your heart is the biggest I've ever known so selfless you will forever be part of our family.

Who We Are and What We Do!

The Macomb Charitable Foundation is a group of volunteers who seek out and assist homeless and poverty-stricken children in our community.

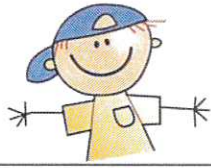

We are all volunteer, no one gets paid. This means that 100% of the profit realized from any fundraising event will be used to make a difference in the life of a child.

We assist with things that other agencies cannot. We pay for tutoring, after-school activities, band instruments, field trips, athletic fees, etc. We believe that keeping a child active and involved in their school means less time they will be spending on the street. We are contacted by Social Service agencies, teachers, principals, and churches to assist children in need. We put in countless hours raising money, making home visits, mentoring, advising and returning calls.

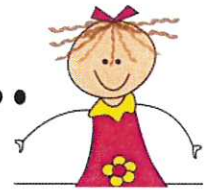

Homeless children in Macomb County?

You bet. Lots of them. We believe that what we do makes a difference.

With your prayers and financial support, we remind these children that they have not been forgotten.
