

Dear Santa's Helper,

It has been a hard year for my and my parents because..... We have lost our home 2x's and have been in turning Point. My Mom couldn't paid the storage bill so we lost everything. My mom has been in and out of the hospital. We have spent the night in our car shower in fast food places, lakes and so fourth. My mom has had problems with her Kidneys, Lupus, and has been told she has a few problems with her health. We keep moving cause she doesn't have the wellness to work and I cry when I see her in so much pain. My mom was rape with me in the bed. We have always made sure we are safe.

Dear Santa's Helper, we cant go any where we want to go to the Movies and Bowling and we cant my mommy Van is gone. My mommy get sad because no one will give us a ride I pray she get a car soon, we hate the motel!
