

Dear Santa's Helper,

It's been a tough year for me because..... My mom is broke and my dad isn't around to give us money. I don't even see my dad I don't even now where he's at. My mom only works 40 hours a week. I have a stepdad who's from Maine and his looking for a job. Me and my mom and stepdad and sister don't have a car we borrow from ~~one~~ ^{one} of my mom's family car. This would help my mom, dad, me, and my sister a lot.

Dear Santa's Helper,

I've had a rough year because.....

I have had to move into my aunts this year and I don't always get treated nicely. I have to share a room, and I don't have a lot of stuff anymore. my clothes are in boxes because I have no dressers. my things get taken and lost because of this.
